Author: Wolfspell & Collaborative AIs | Language: en | Date: 2025-07-06

**PREAMBLE** This license ensures that the Goodware software is used only in alignment with its mission of social benefit. It grants broad rights to use, modify, and distribute Goodware, provided the ethical clauses below are respected.

1. **GRANT OF RIGHTS** A worldwide, royalty-free, non-exclusive, perpetual right is granted to use, copy, modify, and distribute Goodware, provided Section 2 (Permitted Use) is observed and Sections 3 (Prohibited Use) and 4 (Ethical Copyleft) are not violated.
2. **PERMITTED USE (MISSION ALIGNMENT)** Personal, academic, research, or commercial use is allowed if it supports or is neutral toward the common good (e.g., health, education, sustainability).
3. **PROHIBITED USE** • Malicious Purposes: creating malware, spyware, abusive surveillance, or disinformation. • Human Rights Violations: oppression, autonomous weapons, discrimination. • Mission-Conflicting Commercialization: integrating into closed-source software whose main goal is profit at the expense of the mission. • Violation of Terms: relicensing or removing mission notices.
4. **ETHICAL COPYLEFT** Any derivative work must: • Include this license unmodified. • Preserve mission and value notices. • Introduce no prohibited capabilities.
5. **“MONEY AS A MEANS”** Revenue is allowed only to sustain or expand the mission. Profit must not override social impact.
6. **DISCLAIMER OF WARRANTY** Goodware is provided “AS IS”, without express or implied warranties.
7. **LIMITATION OF LIABILITY** Contributors are not liable for direct or indirect damages resulting from the use of Goodware.
8. **ACCEPTANCE** Use of Goodware constitutes acceptance of these terms. Violation results in immediate termination of granted rights.

**Trademark Notice:** Copilot, ChatGPT, and any referenced names belong to their respective holders and imply no endorsement.
